The Irving—Carrollton Branch NAACP request your support in providing a leadership financial donation to the NAACP’s education initiative for youth programming. Donations and sponsorships will be used to assist with the expenses for planned tutoring, mentoring and preparing for test for at-risk children. These expenses include funds that are required for an education vendor to augment the work of volunteers, computer hardware and software and materials.

The Irving Branch NAACP’s mission is “to assist our communities in achieving economic and social parity and to improve our quality of life.” A total Irving focus with support is required if a “Community Assault” is to be counted on to save our communities and produce victory for Irving and Carrollton.

We definitely need more volunteer troops to come forward and fight this battle. But just as important as building our troops, we need to gain the focus and support from the Greater Irving, Carrollton and Farmers Branch communities.

The Irving—Carrollton Branch of the NAACP meetings are held on the fourth Monday of each month at 7:00 p.m. at the Georgia Farrow Recreation Center, 530 Davis Street, in Irving.
